Headache and Sleeplessness

Mrs. G. W. Rorer, of Rockville Centre, L. I., suffered so from headaches and nervous trouble that

she could not sleep. She has failed to derive any benefit from the many other remedies she tried. She has been completely cured and restored to health, and now enjoys restful sleep, thanks to Duffy's Pure

great family medicine. "I have been a constant sufferer from headache and nervous troubles, sometimes lying awake at night, I saw your advertisement in the paper and made up my mind to try your medicinal whiskey, and it did me so much good that I continued it, but now only take it in the evening and at noon time I think that it is better than any medicine I can get. I have not had the doctor once since I commenced using it. I thank you again and again for the good it has done me. My age is 64 years." - MRS, G. W. RORER, Rockville Centre, L. I., Dec. 3, 1906.

The above unsolicited testimonial of Mrs. Rorer is similar in its words of praise to many letters received daily from men and women throughout the world, in all walks of life, who have been permanently cured by Duffy's Pure Malt Whiskey, the greatest of all
